Dear Madam,

In relation to your mail sent to the Andorran Embassy in Belgium, I has the honour to inform you that Andorra requires visa from no-one, however, as everyone who wants to enter into Andorra must cross either Spain or France, nationals from outside the Schengen zone should find out if they need a visa to enter and exit countries in the Schengen zone. As the Israeli provisional passport you attached is an official document provided by the Israeli Government the Andorran Law allow to its holder to enter into Andorra.  
Sincerely,

Cordialment,
